SUBJECT: Submittal of a Resolution to approve an Avigation Easement from PEDP, Inc., a California Corporation, for the San Luis Obispo County Regional Airport. District 3

RECOMMENDATION

Adopt and instruct the Chairperson to sign the Resolution accepting the avigation easement for the San Luis County Regional Airport.

DISCUSSION

Attached is an avigation easement document from PEDP, Inc., a California Corporation, which grants an avigation easement to the County of San Luis Obispo over property near the San Luis Obispo County Regional Airport, together with a Resolution accepting said easement and directing the county Clerk-Recorder to record same. The avigation easement was required because the project site is within the Airport Review combining designation area. The project is a Minor Use Permit to allow construction of an approximately 10,500 square foot building to house a farm irrigation warehouse and wholesale facility with a 17,800 square foot fenced storage yard. The project site is part of Tract 2368, a commercial service business park subdivision, recorded in 2006. The proposed project is within the Commercial Service land use category and is located on the southeast side of Morabito Place and Prospect Street, approximately 1,000 feet south of the City of San Luis Obispo. The site is in the San Luis Obispo planning area.

OTHER AGENCY INVOLVEMENT/IMPACT

County Counsel reviewed and approved the easement and resolution as to form and legal effect.

FINANCIAL CONSIDERATIONS

None.

RESULTS

Approval creates an easement over the airspace above the said parcel. This airspace provides aircraft with unobstructed access to the airport runway.
